Language Learning in the Digital Age - Virginia H. Y. Kwok 2023-03-21

In the digital age, technology has become essential for online learning and teaching for learners at all levels of education. YouTube is highly popular amongst young people in Hong Kong and across the globe. In foreign language acquisition, how do learners perceive the use of YouTube for English learning in out-of-class settings? This book reports the findings of a case study of learners at a university in Hong Kong from students' perspectives. The detailed, qualitative study adopts a narrative inquiry approach in order to examine students' perceptions, factors shaping them, and the extent to which perceptions affect language learning practices on YouTube. The implications highlighted here include developing five qualities for learners that facilitate autonomous and experiential learning out-of-class, training that supplements in-class learning, and whole-person development. The findings shed light on understanding students' needs and interests for an improved quality of language teaching that meets the challenges of the twenty-first century.

Accidental Christian - Sharon Lee Foley
2018-03-22

For all her eighteen years, Amber had wondered where her mother was and if she would ever return. Now, finally, Gram came to her room to tell her that Miriam had called and was coming home. When? Amber asked. Tomorrow, Gram said. Then Amber asked the real question. Why? And Gram answered, Miriam told me she is coming home to die. The more Amber learned of the circumstances of her mothers absence, the more cheated and betrayed she felt. Miriam had not only ruined Ambers past, she was now taking Ambers dreams to the grave with her. There could never be a happy ending for Amber and her long-awaited mother. How could Amber ever forgive the selfish choices this woman made? It was cruel and unfair to even ask. As Amber struggled with forgiveness, she discovered faith and the truth of Mother Teresas words: People are often unreasonable and self-centered. Forgive them anyway. For you see, in the end, it was between you and God. It was never between you and them anyway.

This book, Heartfelt, is an intimate look at love through the eyes of a man who is forced to ponder losing the love of his life. It is through the medical miracle of heart transplantation that he is spared that eternal pain and his beloved wife, Jean, is saved by the grace and heroic gesture of an unknown family. Experience first-hand heart transplantation. This is the remarkable, moving true story of two families brought together through tragedy and triumph. One loses a family member; one regains a life. See how it happens, as it happens. Be there bedside, through the waiting, through the wondering as Joe brings you through the days, weeks and months leading up to and following Jean's transplant. Learn how circumstances beyond anyone's direct control come to intersect, changing forever all those who experience it from their own perspectives spoken in first person language. See too how life connects us in ways never imagined. This book reminds us that we are never really alone. We always have others. We simply have to have faith, hope and love--with them, we can make it through anything.
