**Inside Out** - Demi Moore 2019-09-24  
INSTANT #1 NEW YORK TIMES BESTSELLER  
A Best Book of the Year: The New Yorker,  
The Guardian, The Sunday Times, The Daily  
Mail, Good Morning America, She Reads  
Famed American actress Demi Moore at last  
tells her own story in a surprisingly intimate

and emotionally charged memoir. For  
decades, Demi Moore has been synonymous  
with celebrity. From iconic film roles to high-  
profile relationships, Moore has never been  
far from the spotlight—or the headlines.  
Even as Demi was becoming the highest  
paid actress in Hollywood, however, she was

always outrunning her past, just one step ahead of the doubts and insecurities that defined her childhood. Throughout her rise to fame and during some of the most pivotal moments of her life, Demi battled addiction, body image issues, and childhood trauma that would follow her for years—all while juggling a skyrocketing career and at times negative public perception. As her success grew, Demi found herself questioning if she belonged in Hollywood, if she was a good mother, a good actress—and, always, if she was simply good enough. As much as her story is about adversity, it is also about tremendous resilience. In this deeply candid and reflective memoir, Demi pulls back the curtain and opens up about her career and personal life—laying bare her tumultuous relationship with her mother, her marriages, her struggles balancing stardom with raising a family, and her journey toward open heartedness. *Inside Out* is a story of

survival, success, and surrender—a wrenchingly honest portrayal of one woman’s at once ordinary and iconic life. *What Happened* - Hillary Rodham Clinton 2017-09-12  
“An engaging, beautifully synthesized page-turner” (Slate). The #1 New York Times bestseller and Time #1 Nonfiction Book of the Year: Hillary Rodham Clinton’s most personal memoir yet, about the 2016 presidential election. In this “candid and blackly funny” (The New York Times) memoir, Hillary Rodham Clinton reveals what she was thinking and feeling during one of the most controversial and unpredictable presidential elections in history. She takes us inside the intense personal experience of becoming the first woman nominated for president by a major party in an election marked by rage, sexism, exhilarating highs and infuriating lows, stranger-than-fiction twists, Russian

interference, and an opponent who broke all the rules. “At her most emotionally raw” (People), Hillary describes what it was like to run against Donald Trump, the mistakes she made, how she has coped with a shocking and devastating loss, and how she found the strength to pick herself back up afterward. She tells readers what it took to get back on her feet—the rituals, relationships, and reading that got her through, and what the experience has taught her about life. In this “feminist manifesto” (The New York Times), she speaks to the challenges of being a strong woman in the public eye, the criticism over her voice, age, and appearance, and the double standard confronting women in politics. Offering a “bracing... guide to our political arena” (The Washington Post), What Happened lays out how the 2016 election was marked by an unprecedented assault on our democracy by a foreign adversary. By analyzing the

evidence and connecting the dots, Hillary shows just how dangerous the forces are that shaped the outcome, and why Americans need to understand them to protect our values and our democracy in the future. The election of 2016 was unprecedented and historic. What Happened is the story of that campaign, now with a new epilogue showing how Hillary grappled with many of her worst fears coming true in the Trump Era, while finding new hope in a surge of civic activism, women running for office, and young people marching in the streets.

### **Music Video and the Politics of**

### **Representation** - Diane Railton 2011-07-07

How can we engage critically with music video and its role in popular culture? What do contemporary music videos have to tell us about patterns of cultural identity today? Based around an eclectic series of vivid case studies, this fresh and timely examination is an entertaining and enlightening analysis of the forms, pleasures, and politics that music videos offer. In rethinking some classic approaches from film studies and popular music studies and connecting them with new debates about the current 'state' of feminism and feminist theory, Railton and Watson show why and how we should be studying music videos in the twenty-first century. Through its thorough overview of the music video as a visual medium, this is

an ideal textbook for Media Studies students and all those with an interest in popular music and cultural studies.

### The Origins of Cool in Postwar America - Joel Dinerstein 2018-09-26

Cool. It was a new word and a new way to be, and in a single generation, it became the supreme compliment of American culture. The Origins of Cool in Postwar America uncovers the hidden history of this concept and its new set of codes that came to define a global attitude and style. As Joel Dinerstein reveals in this dynamic book, cool began as a stylish defiance of racism, a challenge to suppressed sexuality, a philosophy of individual rebellion, and a youthful search for social change. Through eye-opening portraits of iconic figures, Dinerstein illuminates the cultural connections and artistic innovations among Lester Young, Humphrey Bogart, Robert Mitchum, Billie Holiday, Frank Sinatra, Jack

Kerouac, Albert Camus, Marlon Brando, and James Dean, among others. We eavesdrop on conversations among Jean-Paul Sartre, Simone de Beauvoir, and Miles Davis, and on a forgotten debate between Lorraine Hansberry and Norman Mailer over the "white Negro" and black cool. We come to understand how the cool worlds of Beat writers and Method actors emerged from the intersections of film noir, jazz, and existentialism. Out of this mix, Dinerstein sketches nuanced definitions of cool that unite concepts from African-American and Euro-American culture: the stylish stoicism of the ethical rebel loner; the relaxed intensity of the improvising jazz musician; the effortless, physical grace of the Method actor. To be cool is not to be hip and to be hot is definitely not to be cool. This is the first work to trace the history of cool during the Cold War by exploring the intersections of film noir, jazz, existential literature,

Method acting, blues, and rock and roll. Dinerstein reveals that they came together to create something completely new—and that something is cool.

Dad, How Do I? - Rob Kenney 2021-05-18  
From the host of the YouTube channel that went viral—Dad, How Do I?—comes a book that's part memoir/part inspiration/part DIY. Rob Kenney's father left him and his seven

But he and his siblings had to figure these things out on their own. Now a father himself, Rob decided that he would help people out by providing how-to tips as well as advice—and even throw in some bad dad jokes. He started a YouTube channel for anyone looking for fatherly advice, and in the course of three months, gained a following of nearly 2.5 million subscribers, with millions of views for his how-to and inspirational videos. In this book, Rob shares his story of overcoming a difficult childhood with the strength of faith and family, and offers inspiration and hope. *Thirty Years a Slave* - Louis Hughes 1897  
Louis Hughes was born in Virginia (1832), but was sold (1844) in the Richmond slave market to a cotton planter and his wife who lived on the Mississippi River. Later, he traveled with them to their new home in Memphis, Tennessee, and spent time during the Civil War in Alabama. Hughes made five attempts to escape, alone and with his wife and friends, but he and his wife succeeded in finding freedom only after Emancipation. Eventually, after reuniting with several members of their family and seeking a livelihood in various Southern, Midwestern and Canadian cities (Memphis, Cincinnati, Hamilton, Windsor, Detroit, Chicago, and Cleveland), they settled in Milwaukee, where Hughes became a nurse, drawing on skills he had developed while treating the illnesses of his fellow slaves. *Thirty Years a Slave* provides a great deal of information about the complex relationships between

slaves and masters, along with graphic accounts of the physical abuse slaves endured, and details about slave markets, slave religion, and the organization of plantation work. Hughes also remembers the desire for learning he felt when he was a slave and recalls the varied tasks he performed in his masters' households.

secret science behind speed-dating and personal ads, and what a person's sense of humor reveals about the innermost workings of his or her mind—all along paying tribute to others who have carried out similarly weird and wonderful work. Wiseman's research has involved secretly observing people as they go about their daily business, conducting unusual experiments in art exhibitions and music concerts, and even staging fake séances in allegedly haunted buildings. With thousands of research subjects from all over the world, including enamored couples, unwitting pedestrians, and guileless dinner guests, Wiseman presents a fun, clever, and unexpected picture of the human mind.

**Fulbright Labyrinths** - Virginia Hall-Milhouse 2011-11

In this provocative work, Virginia Milhouse demonstrates how autoethnography combines creative and analytical practices to help bring to consciousness some complex social and political agendas hidden in narratorial writings. It demonstrates how an arts-based qualitative research method (narrative inquiry) can be fused with a scientific-based quantitative method (DMIS-

IDI) and compliment, support and or correct each other. It also demonstrates how "writing as a method of inquiry" can be a viable way for researchers to learn about themselves and their research, as well as features standards for evaluating creatively and analytically constructed text. Further, the author's examination of the aesthetics of "inner-readiness" and "in-betweeness" will be very helpful to people doing this kind of self-reflexive fieldwork. The reader will also appreciate this author's recognition of the importance of combining qualitative and quantitative methodologies--something not many writers can do with great success. Also, this book will be a real contribution to sojourners and others traveling or living abroad. The work is very smart; and, is, beautifully and clearly written. The "labyrinth" quote at the beginning of her work is very fitting and certainly promises to illustrate those words.

**Escape from Camp 14** - Blaine Harden  
2012-03-29

With a New Foreword The heartwrenching New York Times bestseller about the only known person born inside a North Korean prison camp to have escaped. North Korea's political prison camps have existed twice as long as Stalin's Soviet gulags and twelve times as long as the Nazi concentration camps. No one born and raised in these camps is known to have escaped. No one, that is, except Shin Dong-hyuk. In *Escape From Camp 14*, Blaine Harden unlocks the secrets of the world's most repressive totalitarian state through the story of Shin's shocking imprisonment and his astounding getaway. Shin knew nothing of civilized existence—he saw his mother as a competitor for food, guards raised him to be a snitch, and he witnessed the execution of his mother and brother. The late “Dear Leader” Kim Jong Il was recognized

throughout the world, but his country remains sealed as his third son and chosen heir, Kim Jong Eun, consolidates power. Few foreigners are allowed in, and few North Koreans are able to leave. North Korea is hungry, bankrupt, and armed with nuclear weapons. It is also a human rights catastrophe. Between 150,000 and 200,000 people work as slaves in its political prison camps. These camps are clearly visible in satellite photographs, yet North Korea's government denies they exist. Harden's harrowing narrative exposes this hidden dystopia, focusing on an extraordinary young man who came of age inside the highest security prison in the highest security state. *Escape from Camp 14* offers an unequalled inside account of one of the world's darkest nations. It is a tale of endurance and courage, survival and hope. *The Girl With No Name* - Marina Chapman  
2021-11-15

In 1954, in a remote mountain village in South America, a little girl was abducted. She was four years old. Marina Chapman was stolen from her housing estate and abandoned deep in the Colombian jungle. That she survived is a miracle. Two days later, half-drugged, terrified, and starving, she came upon a troop of capuchin monkeys. Acting entirely on instinct, she tried to do what they did: copying their actions she slowly learned to fend for herself. So begins the story of her five years among the monkeys, during which time she gradually became feral; lost the ability to speak, lost all inhibition, lost any sense of being human, replacing human society with the social mores her new simian family. But society was eventually to reclaim her. At age ten she was discovered by a pair of hunters who took her to the lawless Colombian city of Cucuta where, in exchange for a parrot, they sold her to a

brothel. When she learned that she was to be groomed for prostitution, she made her plans to escape. But her adventure was not over yet... In the vein of *Slumdog Millionaire* and *City of God*, this rousing story of a lost child who overcomes the dangers of the wild to finally reclaim her life will astonish readers everywhere.

**Bound to Last** - Sean Manning 2010-10-26  
Lovers of the printed book, arise! Thirty of today's top writers are here to tell you you're not alone. In *Bound to Last*, an amazing array of authors comes to the passionate defense of the printed book with spirited, never-before-published essays celebrating the hardcover or paperback they hold most dear—not necessarily because of its contents, but because of its significance as a one-of-a-kind, irreplaceable object. Whether focusing on the circumstances behind how a particular book was acquired, or how it has become forever “bound up”

with a specific person, time, or place, each piece collected here confirms—poignantly, delightfully, irrefutably—that every book tells a story far beyond the one found within its pages. In addition to a foreword by Ray Bradbury, *Bound to Last* features original contributions by: Chris Abani, Rabih Alameddine, Anthony Doerr, Louis Ferrante, Nick Flynn, Karen Joy Fowler, Julia Glass, Karen Green, David Hajdu, Terrence Holt, Jim Knipfel, Shahriar Mandanipour, Sarah Manguso, Sean Manning, Joyce Maynard, Philipp Meyer, Jonathan Miles, Sigrid Nunez, Ed Park, Victoria Patterson, Francine Prose, Michael Ruhlman, Elissa Schappell, Christine Schutt, Jim Shepard, Susan Straight, J. Courtney Sullivan, Anthony Swofford, Danielle Trussoni, and Xu Xiaobin

**Frontiers of Belonging** - Annika Lems

2022-07-05

As unprecedented numbers of unaccompanied African minors requested

asylum in Europe in 2015, Annika Lems witnessed a peculiar dynamic: despite inclusionary language in official policy and broader society, these children faced a deluge of exclusionary practices in the classroom and beyond. *Frontiers of Belonging* traces the educational paths of refugee youth arriving in Switzerland amid the shifting sociopolitical terrain of the refugee crisis and the underlying hierarchies of deservingness. Lems reveals how these minors sought protection and support, especially in educational settings, but were instead treated as threats to the economic and cultural integrity of Switzerland. Each chapter highlights a specific child's story—Jamila, Meron, Samuel, and more—as they found themselves left out, while on paper being allowed "in." The result is a highly ambiguous social reality for young refugees, resulting in stressful, existential balancing acts. A captivating ethnography,

Frontiers of Belonging allows readers into the Swiss classrooms where unspoken distinctions between self and other, guest and host, refugee and resident, were formed, policed, and challenged.

Go Light Your World - Kimberly Stringer

2022-01-07

Author Kimberly Stringer has been following Christian singer Kathy Troccoli since the 1980s. She has attended Troccoli's concerts, conferences, and cruises. While attending one of the early events with the popular singer, Kimberly's twin sister Kara, a speech and language therapist, volunteered to do the sign language for the song, Go Light Your World. That began a personal relationship between the women, the singer and her staff. As the owner of Kreative Kids Academy in Wichita, Kimberly had always wanted to do a children's book based on the inspiring lyrics to Go Light Your World. After obtaining permission from Troccoli, Kimberly wrote her own "lyrics" aimed at the children in her classrooms. They had already been schooled in the academy's motto, "Never hurt anyone on the inside or the outside."

They will already be familiar with the message of this latest children's book by Stringer, beautifully illustrated by Debbie Fleck. In November of 2021, as Kimberly and her husband attended another Kathy Troccoli event in Destin, Florida, the down-to-earth singer and her crew sang Go Light Your World to the Kreative Kids students on FaceTime. They were thrilled and excited. Just like all young readers will be with this book. It should make them eager to carry their own marvelous lights out into a world that longs for kindness and love.

**Complexity in Second Language Study Emotions** - Richard J. Sampson 2022-06-15

This book offers a socially situated view of the emergence of emotionality for additional language (L2) learners in classroom interaction in Japan. Grounded in a complexity perspective, the author argues that emotions need to be studied as they are dynamically experienced and understood in all of their multidimensional

colors by individuals (in interaction). Via practitioner research, Sampson applies a small-lens focus, interweaving experiential and discursive data, offering possibilities for exploring, interpreting and representing the lived experience of L2 study emotions in a more holistic yet detailed, social yet individual fashion. Amidst the currently expanding interest in L2 study emotions, the book presents a strong case for the benefits of locating interpretations of the emergence of L2 study emotions back into situated, dynamic, social context. Sampson's work will be of interest to students and researchers in second language acquisition and L2 learning psychology.

Du kan lære deg å meditere. Audun Myskja viser deg hvordan. «Meditasjon er å slutte

fred med seg selv», sier Audun Myskja. I flere år har han lært en lang rekke svært forskjellige mennesker, med ulike motivasjon og ulike behov, å meditere. Nå har han endelig samlet all sin kunnskap, erfaring og innsikt i en egen bok. «Meditasjon» er boka for alle som vil lære seg å meditere, og for dem som ønsker å fordype seg ytterligere - skrevet av en nestor på feltet. Audun Myskjas unike kombinasjon av vestlig medisin, østlig tradisjon og varme formidlingsevne når et stadig voksende publikum. I forrige bok nådde han bredt ut med «De tibetanske ritene». I denne boka går han tilbake til det han kan aller best, og som aller flest ønsker å lære av ham: Hvordan finne indre ro gjennom meditasjon.

**Justice** - Michael J. Sandel 2009-09-15  
A renowned Harvard professor's brilliant, sweeping, inspiring account of the role of justice in our society--and of the moral dilemmas we face as citizens What are our

obligations to others as people in a free society? Should government tax the rich to help the poor? Is the free market fair? Is it sometimes wrong to tell the truth? Is killing sometimes morally required? Is it possible, or desirable, to legislate morality? Do individual rights and the common good conflict? Michael J. Sandel's "Justice" course is one of the most popular and influential at Harvard. Up to a thousand students pack the campus theater to hear Sandel relate the big questions of political philosophy to the most vexing issues of the day, and this fall, public television will air a series based on the course. Justice offers readers the same exhilarating journey that captivates Harvard students. This book is a searching, lyrical exploration of the meaning of justice, one that invites readers of all political persuasions to consider familiar controversies in fresh and illuminating ways. Affirmative action, same-sex marriage,

physician-assisted suicide, abortion, national service, patriotism and dissent, the moral limits of markets—Sandel dramatizes the challenge of thinking through these conflicts, and shows how a surer grasp of philosophy can help us make sense of politics, morality, and our own convictions as well. Justice is lively, thought-provoking, and wise—an essential new addition to the small shelf of books that speak convincingly to the hard questions of our civic life.

### **The Song of Songs Through the Ages -**

Annette Schellenberg 2023-04-26

The Song of Songs is a fascinating text. Read as an allegory of God's love for Israel, the Church, or individual believers, it became one of the most influential texts from the Bible. This volume includes twenty-three essays that cover the Song's reception history from antiquity to the present. They illuminate the richness of this reception history, paying attention to diverse

interpretations in commentaries, sermons, and other literature, as well as the Song's impact on spirituality, theological and intellectual debates, and the arts.
