New International Encyclopedia of Bible Words - Lawrence O. Richards  
2016-09-27

Uncover the Rich Meaning Behind the Hebrew and Greek Words of the Bible Whether you're a pastor, a student, or simply a lover of the Bible, this book helps you get more out of God's Word by revealing the original meanings of key biblical words. The reader-friendly, narrative style makes it easy to explore the Hebrew and Greek words that lie behind the English words. You'll discover significant shades of meaning and nuances that bring depth to your understanding of Scripture. This highly accessible reference tool surpasses the well-known Vine's Expository Dictionary of New Testament Words in a number of ways: Thorough coverage of both Old and New Testaments gives you a firm grasp of the entire Bible. The Goodrick/Kohlenberger numbering system allows for more accurate identification of Hebrew and Greek words. Top evangelical scholarship ensures current insights into the meanings of words. Biblical concepts are fully discussed, providing you with understanding, but also practical and devotional insights you can apply to your life. Entry words are taken from the NIV (New

International Version) and the NASB (New American Standard Bible)—respectively, the best-selling contemporary translation and today's most literal word-for-word translation. Major KJV terms are cross-referenced to broaden your understanding of translational nuances and distinctions. Four indexes include: Hebrew words, Greek words, Scripture references, and topical index. —ZONDERVAN'S UNDERSTAND THE BIBLE REFERENCE SERIES— This four-volume series supplies users of today's most popular modern Bible translation, and New International Version, with scholarly, economical, and uncompromisingly evangelical study tools. It includes: New International Bible Commentary New International Encyclopedia of Bible Words New International Encyclopedia of Bible Difficulties New International Encyclopedia of Bible Characters *Mounce's Complete Expository Dictionary of Old and New Testament Words* - William D. Mounce 2009-12-15 For years, Vine's Expository Dictionary has been the standard word study tool for pastors and laypeople, selling millions of copies. But sixty-plus years of scholarship have shed extensive new light on the use of biblical Greek and Hebrew,

creating the need for a new, more accurate, more thorough dictionary of Bible words. William Mounce, whose Greek grammar has been used by more than 100,000 college and seminary students, is the editor of this new dictionary, which will become the layperson's gold standard for biblical word studies. Mounce's is ideal for the reader with limited or no knowledge of Greek or Hebrew who wants greater insight into the meanings of biblical words to enhance Bible study. It is also the perfect reference for busy pastors needing to quickly get at the heart of a word's meaning without wading through more technical studies. What makes Mounce's superior to Vine's? The most accurate, in-depth definitions based on the best of modern evangelical scholarship Both Greek and Hebrew words are found under each English entry (Vine's separates them) Employs both Strong's and G/K numbering systems (Vine's only uses Strong's) Mounce's accuracy is endorsed by leading scholars
